SAINT REFLECTION

My name is Erik and I am an eighth grader at SPSA. I have been here since I was 3, which is almost 10 years.

I feel as if this school has educated me and helped me learn so many new things.

Learning about my faith here has helped me grow closer to God and reminded me that He is a part of everything I do. It's not just about praying in class or going to Mass. It's about knowing that God is with us in every subject and every challenge we face.

My favorite subject is math. At first, math seemed like it was just numbers and rules, but with the help of my teachers, I've learned to see it differently and understand how helpful and interesting it is for many things we do in everyday life.

My hope for next year is to attend Jesuit.

SUNDAY, JANUARY 25 - SPSA OPEN HOUSE
WEDNESDAY, JANUARY 28 - DAY OF SERVICE
FRIDAY, JANUARY 30: SPSA CAREER FAIR

During Catholic Schools Week, we invite you to join us in praying our Ten Year Anniversary Prayer:

O God, With grateful hearts, we thank You as St. Philip & St. Augustine Catholic Academy celebrates ten years of academic excellence, spiritual growth, and community rooted in faith. You have been our strength and our light each step of the way. Thank You for blessing our leaders, teachers, families, students, donors, and the Catholic community of Dallas. In every challenge and triumph, You have led us with wisdom and hope. As we look ahead, continue to light our path. Inspire our educators, ignite curiosity in our students, and strengthen our community in faith and generosity. Bless the years to come, and may all who walk through our doors shine with compassion, integrity, and trust in You. Amen.
