Rooted in our Catholic faith, we are dedicated to ensuring that every student has the opportunity to participate, regardless of financial circumstances. We firmly believe that no one should be turned away due to financial constraints, and we are committed to supporting each individual on their educational journey. For the 2025-2026 school year, the expected cost to educate a student is **\$9,886**, while the tuition rate is set at **\$6,710**. The difference is covered through fundraising, grants, and generous donations. If you have any questions or need assistance, please don't hesitate to reach out—we're here to help!
